Website Ordering

Let us help you lock in your customer with online ordering! We have the ability to provide anything from a basic online ordering site to full capabilities.

▶▶ Provide customers with their personal login information or create a link on your website to connect to our online catalog for easy ordering. The site will appear with your logo and contact information as well as allow you to assign a mark-up percentage to our current price guide pricing. Ask for details.

▶▶ Corporate websites built to allow your customer to order their own business cards, stationery, pick-and-pull inventory items, as well as promotional products. Any product can be added to provide an all-inclusive ordering portal for your customer. You can have the order emailed directly to you to choose your supplier or assign a supplier to be copied on the emails for quicker service.
