Unparalleled Service!

EM Print Group's customer service representatives are highly trained experts in both envelopes and stationery print & design. We welcome the opportunity to assist you with any of your envelope and stationery print needs. Whether you require a quick quote, sample envelopes, or helpful advice – we are here for you!

We can turn a standard envelope from inventory in as little as 24 hours when needed (normal is 3-5 work days) without a rush charge. Last year we shipped over a half billion envelopes with orders ranging from 500 to a million.

**WAREHOUSE
SERVICE
AVAILABLE**

Prepaid inventory storage available at no charge for up to 12 months.
10,000 minimum per item. \$10 release charge plus shipping charges.
Our 80,000 sq ft facility can accommodate most storage needs!

GRAPHIC GUIDELINES

MACINTOSH PLATFORM OSX ACCEPTABLE APPLICATIONS: all applications are the latest version... always upgrading for your convenience!!

• Adobe Creative Suite: Acrobat, Illustrator, InDesign, Photoshop • Quark Xpress

When supplying native files (except for PDF), please supply all image links and fonts.

• Microsoft: Excel and Word (not true typesetting programs; therefore faxed sample of image required for comparison)

TYPESSETTING CHARGES MAY APPLY BASED UPON COMPLEXITY OF ADJUSTMENTS TO MAKE PRINT-READY

ACCEPTABLE IMAGE TYPES: • TIFF • EPS • BMP • PDF

multi-color images must be saved in spot PMS colors unless printing 4-color process to achieve print-quality images,

prefer: 300+ dpi; bitmap mode (black & white line art); grayscale for screen/halftone images

• JPG images do not produce clear images and will not work for color separations; if requested to use, adjustments for quality and color separations will incur art charges and may be used once quality and adjustments are signed off by customer

Offset printing prices are based upon being provided with clean copy or electronic art files.
See page Commercial Size Envelopes page for additional charges.
